For years, Oceana Self Storage has been the locals' favorite for storing everything from furniture to cars to business equipment. It's easy to see why. We are conveniently located right off N. Oceana Blvd. Our coded gate, security cameras, and onsite resident manager keeps your belongings secure and accessible. Even with all these benefits, our rates fit any budget. Why lease extra space you only need once in a while? At Oceana Self Storage & Office Warehouse, you can rent extra on-site storage space on demand for a month at a time. Our secure self-storage facility has spaces available from 5' x 5' for \$40.00 up to 36' x 30' for \$499.00. See for yourself why so many have chosen the Office Warehouse advantage.
